

Joan Paugh

1533 Conklin Road

(Across from Dollar General) Something has to be done about either the speed limit on Conklin Road or maybe move the driveway into the Dollar General. . This is the second accident that has damaged her house. The first accident took off her Florida room and totaled her car (that was parked in her driveway). People drive way too fast—especially the motorcycles on this straight stretch of the road.. This second accident in front of her house resulted in cracked the glass on her new front door.

She will be coming to the March 13 meeting to ask the Board to lower the speed limit.
