RE: Quote for 772 – 776 Conklin Road Demolition (Slater Property)
Tax Map #161.12-1-27

Price to demolish, remove existing structures and grade the property \$23,200.00

Completion Date: July 24, 2015

All masonry block and concrete is considered to be non-asbestos. These materials will be disposed of as clean fill. If asbestos is encountered, ZMK will coordinate the demolition with GYMO Architecture Engineering & Land Surveying, PC. Notwithstanding anything to the contrary in the contract between the Town of Conklin and ZMK Construction, Inc. dated October 28, 2014 ("contract"), the work described in this quote shall be completed as "extra work" for the consideration set forth above. All terms and conditions of the Contract shall apply to the work to be performed here under.

ZMK Construction will not commence the work until the Town of Conklin confirms that all utilities have been turned off and removed.
